Pull gently. Do not overextend earbuds.

\*\* Auxiliary cable must be connected to phone  
before using earbuds.

3

## PRECAUTIONS

- Do not drop VR unit as it may damage the device.
- Avoid any strong impact to VR unit as this may damage the device.
- Do not pull apart or dismantle the VR unit in any way.

## FAQs

### Q: VR image is blurry

**A:** Check the smart phone screen line is lined up to the center. If phone screen is properly centered, adjust focal distance and object distance until images become clear.

### Q: VR Magnetic control switch does not work

**A:** Make sure the direction on the magnetic control switch and the direction on your phone are positioned on the same horizontal line. Check that the app used to support the magnetic control function is activated.

## TECHNICAL SPECIFICATIONS

**Product Name:** 3-D VIRTUAL GLASSES

**Model:** V5-1

**Material:** ABS + PC Eco-friendly material

**Resolution:** Based on the video source

**Color Bit:** Based on the video source

**HD Lens:** 42mm diameter

**Zoom-in:** 1.5-2x

**Viewing Angle:** 70° - 90° degrees

**Fits Phone Screen Size:** 3.5-6 inches

**Compatibility:** Supports Android and iOS smart phones

**Virtual Viewing:** Simulates 1000 inch screen display

**Focal Distance:** Adjustable

**Object Distance:** Adjustable

**Dimension:** 7.48" x 5.24" x 4.33" inches

**Frequency Response:** 20Hz - 20kHz

**Resistance:** 32Ω±15% Sensitivity: -58±3dB

**Earbuds:** Fits in ear canal

**Input interface:** 3.5mm

**Retractable Earbuds Pull-out**

**Cable Length:** 7.5 inches

**Cushioning materials:**

Foam + Vinyl
