

Pocket Juice 8,000 mAh

tzumi

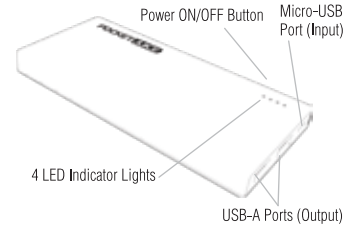

INTRODUCTION & FEATURES

The PocketJuice is the perfect portable charger for powering USB devices on the go, everywhere from vacations and business trips to the daily commute. This slim, lightweight power bank comes pre-charged and is equipped with a scratch-proof rubberized shell for portability and a comfortable grip. Its 8,000 mAh powerful lithium-polymer battery charges devices up to 5 times and features 4 LED battery status indicators for peace of mind. Wherever you go, PocketJuice chargers provide a fast, durable, and streamlined charging experience to rely on.

PACKAGE CONTENTS:

- 1x 8,000 mAh Pocket Juice
- 1x Micro-USB Charging Cable
- User Manual

PRODUCT OVERVIEW & FUNCTIONS

- USB Output: DC 5V / 2.4A; Micro-USB Input: DC 5V/2A
- Rechargeable Lithium-Polymer Battery
- 8,000 mAh Capacity Powers Most Smartphones up to 5x
- 4 LED Battery Status Indicator Lights

CHARGING YOUR POCKETJUICE CHARGER

NOTE: Your PocketJuice charger comes pre-charged. Some of the battery life may have been reduced during transit, in which case you should fully recharge the unit before using for the first time.

Quick Power Test: To test your charger's battery level, press the Power ON/OFF button and refer to the chart on the previous page.

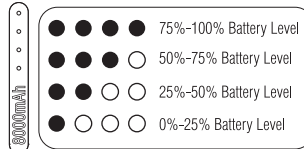

CHARGING VIA AC WALL ADAPTER

Using the provided Micro-USB cable, connect your charger (via Micro-USB port) to an AC Wall adapter (USB port).

CHARGING VIA COMPUTER USB

Using the provided Micro-USB cable, connect your charger (via Micro-USB port) to a computer or laptop (USB port).

It takes approx. 3-5 hours to fully charge a PocketJuice Portable Charger from a depleted battery level. Once the charging process begins, the LED Indicator Lights will illuminate according to power level (see chart).

During the charging process, the LED Indicator Lights will remain lit until you disconnect your charger unit from the power supply.

NOTE: When fully charged, the PocketJuice 8,000 mAh Portable Charger can power most devices up to 5 times. The number of charge times varies depending on your device's battery capacity and the age/condition of your PocketJuice.

CHARGING YOUR SMARTPHONE OR OTHER PORTABLE DEVICE

NOTE: For best performance, make sure your PocketJuice power bank is fully charged. Refer to opposite page for charging instructions.

1. Connect one end of a USB charging cable (such as the included Micro-USB cable or your device's original cable) to your phone/device and the USB-A head into your PocketJuice charger.
2. Turn your power bank on by pressing the Power ON/OFF button. The charging process will begin immediately. Charge times vary by device (your device should display progress).
3. When your device is fully charged, disconnect.

SPECIFICATIONS

Battery Capacity: 8,000 mAh
 Battery Type: Rechargeable Lithium-Polymer
 Input: DC 5V/2A
 Output: DC 5V/2.4A Max

SAFEGUARDS:

- Do not pierce, strike, or apply strong pressure with sharp or heavy objects. Strong impact and shocks can cause irreversible damage to the unit.
- Do not operate if the battery has been exposed to any kind of liquid or if it is visibly wet/moist.
- The battery should always be charged under adult supervision. Never leave with children unattended. Always remember to shut the unit off when it is not in use.
- Do not expose the unit to extremely high or low temperatures or high pressure. Avoid exposure to direct sunlight, fire, or locations such as the inside of a hot car. Exposure may cause the battery to generate heat, ignite, or explode. Using in this manner may also result in a loss of performance or shortened life expectancy.
- Do not attempt to disassemble or modify the unit in any way. Doing so violates any warranty in place. Immediately discontinue use if, while charging or storing, the battery emits an unusual odor or smoke, feels hot, has appeared to change in color or shape, or appears abnormal in any other way.
- If this does occur, contact the tzumi Customer Support Team at tzumi.com/support.

!WARNING! LITHIUM-POLYMER BATTERY

Lithium-polymer cells and battery packs may get hot, ignite or explode if exposed to abuse conditions; this can cause serious injury to the user. Follow all instructions carefully to ensure safe operation of your PocketJuice Portable Charger. If you have any questions or concerns about operation or the precautionary measures listed below, feel free to contact our Customer Support Team at tzumi.com/support.

REMEMBER TO RECYCLE!

Never dispose of batteries in the garbage. Your PocketJuice is recyclable and should be disposed of at your local battery recycling center. To learn more information about how tzumi recycles and to find the battery recycling center(s) closest to you, visit tzumi.com/recycle.
